

# Meet Creighton, the C-R theory spokeshole.

Hi, I'm  
Creighton, your new  
"Spokeshole" for  
the C-R theory  
for 2006.

Author's note:  
the name  
Creighton  
might be a  
pun on C-R  
ate ton(s).

I will speak for the  
C-R theory in most  
situations, and I will  
share what every  
"Black-Hole<sup>C-R</sup>"  
believes and does.
